

Astronomy

Grand Haven High School

Course Number: D46
Grade Level: 11 / 12
Credits : 1/2
Prerequisite Courses : None

Course Description

In this elective course, students will be exposed to the astronomical concepts of space. Seeing as there is not a textbook for this class, information will be gathered from handouts, the Internet, and other research sources.

Course Objectives

During this semester long class students will studying the birth and structure of the universe, galaxies, stellar evolution, constellations, tools of astronomy and observations, space exploration, and the search for extraterrestrial life.

Student Expectations

All students will need to have an Astronomy notebook - either a spiral bound of 3-ring notebook. All students and staff are expected to do their personal best in class. It is expected that students come to class ready and prepared to learn everyday. See the bottom of this page for Behavioral Expectations.

Communication

Students and parents have immediate access to grades by using the Parent Internet Viewer. If you or your parents have any questions or concerns please email me at Stanle@ghaps.org or call me at school (850-6262).

Grading Policy

All points from assessments and projects / assignments are added together and divided by the total possible to get your percentage. Please see the link for the Science Department Grading Scale.

Scope and Sequence

Historical Astronomy

Building Behavioral Expectations

TEAM GH ... One Team, One Family, One Grand Haven. Be Kind. Always.

It is our expectation that ALL GHHS students, staff and parents will ... always give their best **EFFORT** in everything that they do, work hard to be **INCLUSIVE** of each other, show **RESPONSIBILITY** in class, the hallways, cafeteria and at events, and **WORK TOGETHER** at all times!
