

Resource Room Consumer Mathematics Grand Haven High School

Course Number:

Grade Level: 11-12

Credits : .5

Prerequisite Courses : None

Course Description

This class is designed for students who have a basic grasp of mathematical computation but require additional instruction for applying these skills as a wise consumer. In this class students will learn to apply mathematics into their everyday lives.

Course Objectives

As a consumer you buy, sell and use the resources of this world. Throughout this class students will learn to become knowledgeable, wise and proficient in social and personal situations where money is used to secure services and goods.

Student Expectations

For students to be successful in Consumers Mathematics, students will:

- Be on time for class
- Be ready to participate
- Come prepared to class (writing utensil, binder, ideas)
- Show respect for all students and staff
- Have a positive attitude
- Be willing to share ideas and ask questions
- Expectations in regards to attendance, bullying, etc. can be found in the student handbook

Communication

Students and Parents are encouraged to monitor their own grades through Parent Interent Viewer. Teacher communication can be made through email, phone, conferences or setting up specific meeting times.

Building Behavioral Expectations

TEAM GH ... One Team, One Family, One Grand Haven. Be Kind. Always.

It is our expectation that ALL GHHS students, staff and parents will ... always give their best **EFFORT** in everything that they do, work hard to be **INCLUSIVE** of each other, show **RESPONSIBILITY** in class, the hallways, cafeteria and at events, and **WORK TOGETHER** at all times!
