

Spanish I A & I B

Grand Haven High School

Course Number: F36 A-B Spanish I

Grade Level: 9-12

Credits : 1.0

Prerequisite Courses : None

Course Description

The five focus areas for Spanish 1A are: Communication, Cultures, Connections, Comparisons, and Communities. These focus areas will be covered by having students demonstrate their language skills through listening, reading, writing, and speaking. Topics covered in this course include vocabulary relevant to sports and extracurricular activities, family, celebrations, and holidays. Additionally, students will learn cultural perspectives that are relevant to each unit covered. They will make connections to the real world (i.e. our surrounding community) and the importance of knowing Spanish (or another language) in the world of work outside of high school. Comparisons will also be made between the daily lives of students in the United States and students in Spanish-speaking countries.

Course Objectives

Students will learn the four basic language skills: listening, speaking, reading, and writing. In basic social and cultural situations, students will learn how to use the language appropriately, focusing on topics such as expressing likes and dislikes, personality traits, classroom items, and locations in a school. These situations will form the focal point for developing skills through the study of vocabulary, grammar, dialogues, readings, and hands-on activities. Cultural materials emphasize geography and the way of life of the Spanish-speaking world.

In a practical and cultural setting, students will expand upon skills learned in Spanish 1A. Topics will include food and beverages, health, leisure activities, feelings and accepting or declining invitations.
