2. To learn the techniques necessary to become an independent musician capable of further study and performance on your instrument and/or other instruments.
3. To gain experience performing in front of an audience.
4. To learn how to work together as a team.
5. To gain understanding in music theory, specific performance styles, and develop an understanding of a band's "sound".

### Student Expectations

All band students are expected to bring a great attitude and work ethic to each class, rehearsal or performance. Members of the band are also required to be at all concerts, scheduled band events and extra rehearsals. Band is a team effort and participation of each person is vital for the success of all. The band calendar is posted online in May of the previous school year and passed out during the first week of school. Students and parents are expected to schedule around concerts, scheduled band events and any extra rehearsals. Please see the band handbook for additional expectations.
